“Puttin’ On the Ritz”
May 15, 2010
1-Net Best Ball + Net Mystery Ball

What a day!! Beautiful weather...sleeveless shirts and shorts...and beautifully “decked out” women in their finery for a day of golf. The theme inspired players to wear “black and white with glitz”. Pictures from the event will soon be on our website, www.hpwgc.org.

The teams were randomly made up of one player from the lowest handicap group, one player from the highest handicap group and two players from the middle handicap group. We all had a great time!
